EDIKIO GUEST FLEX

A FLEXIBLE SOLUTION FOR PRINTING ALL YOUR LONG AND CREDIT CARD-SIZED CARDS AND LABELS

Edikio Guest Flex is an all-in-one solution for customizing and printing labels and cards used in the hospitality market.

It lets you print visually-appealing display labels for buffets and multi-purpose plastic cards in credit-card or long formats.

Edikio Guest Flex includes everything you need to get started:

Edikio Flex printer

Edikio Guest software Plus Edition

100 black cards, long format (150 x 50 mm)

100 black cards, credit-card format (85.60 x 53.98 mm)

1 white ribbon for 1000 prints in credit-card format

EDIKIO GUEST PLUS EDITION: AN EFFECTIVE AND INTUITIVE SOFTWARE

Edikio Guest software is designed for creating and printing buffet labels and other cards, in just a few clicks:

A single program dedicated to all your business needs

Creation and management of all cards for your customers:
- Buffet display labels
- Other cards to highlight your service offer (event cards, promotional cards and gifts, reward cards, access cards)

Easy to understand, even for new users
- As simple to use as any other office software
- Creation wizard for labels and cards
- Intuitive information management

Extensive content
- Over 200 monochrome card and label templates to suit all purposes, in monochrome and color
- Over 350 images for you to choose from

The PLUS edition of the software contains exclusive features:
- Templates for labels in credit-card and long formats (150 x 50 mm and 120 x 50 mm) and templates for color cards in credit-card format
- Password-protected template locking
- Import your data from an Excel file or another document created with Edikio Guest
- Automatic duplicate management
- Wizard for manual printing of double-sided cards
