A Safe Return To Work

Clear2 enables employers to get back to business amidst the ongoing COVID-19 threat by providing a safe, effective, and comprehensive solution for health screening of consumers, employees, and visitors.

HOW IT WORKS

DEPLOY Deploying Clear2 is fast and flexible at any location. There is no required technology and we will work with you to implement the solution that works best for your business.

DOWNLOAD Employees download the mobile app from the Apple or Google Play. Sign up is quick and easy,

DAILY PRE-SCREEN Before entering the premises, all users must acknowledge current CDC guidelines and answer the health questionnaire.

VALIDATION Users go through an on-site validation to ensure they are pre-screened and fever-free.

CHECK-IN & RE-ENTRY Once screened and validated, the user is cleared to check in to the location. Cleared users may re-enter the location or any participating locations throughout the day without having to be screened again.
